## SMALL CHANCE FOR NEW FARMERS

Out of the war there came the agi-	
tation by former Secretary of the in-	
terior Lane favoring a back-to-the-	
land movement. But Mr. Houston	
who was then Secretary of Agricul-	
ture, was not in sympathy with open-	
ing more farms. It was his idea that	
the present farms if properly worked	
would supply crops enough to meet	
all demands.	
This latter view is the essence of	
the idea embodied in the farm loan	
act which has proved itself an ex-	
cellent method for a man who owns	
a farm to purchase another one. But	
the whole policy of the Government	
has furnished but very little aid to	
the man with few or no assets to en-	
gage in farming.

TRIBUNE FOR JOB WORK.

Celebrate!

—let the bands play

—and the songs ring out

WE'RE ready for the Glorious Fourth. Are you? Come in and let us

give you an Independence Day musical program,—a vivid suggestion of

how to make the Fourth a day of finer meaning in your home.

We'll send a New Edison to your home—together with a fine group of patri-

otic selections.

The NEW EDISON

"The Phonograph with a Soul"

Our Budget Plan will turn your "fireworks"

money into a first payment. It will make

similar economies provide the balance. It's a

systematic thrift idea.

Why throw your money into the air on the

Fourth? Isn't it a finer patriotism, a bigger

family policy, to spend it on music—good music?

What's a Fourth without music?

The thrill in those grand, old airs of the Repub-

lic! The exultation! The memories! The

ringing pledge!

All these and more—have been given life by the

singing art and the fervid hearts of great artists!

You can experience the New Edison's supreme

realism for yourself. Come in and let us give

you Mr. Edison's Realism Test.
